

DRUG TAKE BACK DAY

October 28, 2017

From 10 am to 2pm

Turn in any unused or expired prescription drugs (NO syringes), including opioids to any of the locations participating in National Prescription Drug Take Back Day.

Thankfully most FNSB teens and young adults do not misuse prescription opioids but those who have usually get them from family or friends. Highly addictive prescription opioids such as Vicodin or Oxycontin are the most commonly misused of all prescription drugs.

It takes all of us to protect our community.

Locations:

Alaska State Troopers

1979 Peger Road

Fairbanks Police Department

911 Cushman Street

North Pole Police Department

125 Snowman Lane

Fred Meyer East

930 Old Steese Highway
